**HISTORICON: YEAR OF CONFLUENCE**

2007 is the year of Confluence with Historicon - the flagship convention of the Historical Miniatures Gaming Society [HMGS] occurring immediately before (and merging into WBC's pre-cons) at Lancaster Host on July 26th-29th. This presents a rare opportunity for members of both organizations to get an inexpensive look at how the other half lives with a gala combined vacation in one convenient trip. We are indebted to HMGS President Pete Panzeri for showing what can be done with minatures gaming in two special demonstrations on Tuesday (see pg 81 of the program). Come early and take in all or part of Historicon. Get more details at [www.historicon.org](http://www.historicon.org).
