

BPA is an association of boardgame enthusiasts incorporated as a non-profit company in the state of South Carolina for the express purpose of hosting the annual gaming conference known as the World Boardgaming Championships, or WBC for short. It offers tournaments, vendors, an auction, demonstrations, seminars, open gaming, and Juniors and Teen programs. In addition, for those who can't get enough, we offer six focused Pre-Cons immediately before WBC.

We do other things, such as mini-cons and e-mail tournaments, but our *raison d'être* is WBC. We love boardgaming competition — from wargames and Eurogames to racing, sports, and rail games, and we make no apologies for it. It's what we do. And we do it better than anybody else. To find out more about our activities spend some time on our website at www.boardgamers.org. You'll find more pre- and post-event information than any place on the net — over 300 pages of it. It's not very lucrative or cost effective, but we think it demonstrates our commitment to this hobby.

You can help continue this madness by taking a moment to subscribe to our FREE e-mail newsletter via the web site. Plus, send our Web Master information about your local club site. Finally, continue to spread the good news about our association and its activities by downloading and distributing our poster at your local game club and inviting fellow gamers to join you.

Welcome to the Ninth Annual World Boardgaming Championships (WBC). This year we're excited about the confluence with the Historical Miniature Gaming Society's Historicon, which runs July 26-29. (Our Pre-Con activities begin July 29, with the main convention starting July 31 and running through Aug. 5.) We've cooperated on projects throughout the year, culminating at Historicon and WBC. We invite you to attend HMGS President Pete Panzeri's seminar and special events that he will be presenting on Tuesday (page 81).

If you are reading this before July 15, be sure to vote in our annual election for the Board of Directors. You'll find a ballot on page 93. BPA's Annual Meeting has moved to Tuesday at 3 pm, between the Wargames and Collectibles sections of the Auction. Speaking of shopping, our Auction Store will be bigger than last year and start an hour earlier (pages 88-90).

In addition to our schedule of tournaments and demos (pages 9-21), open gaming facilities, and vendors (page 7), we've added more seminars where you can get tips on running tournaments, learn about probability, meet designers, compete in a game show, and more (pages 86-87).

To our Juniors Program for children 12 and under, we've added activities for Teens ages 12 through 16 (pages 82-85). We can always use assistance with teaching games to the next generation. If you have a free hour, please stop by Heritage to offer your assistance.

Finally, here are a few ideas to help you have a good convention experience:

- We offer many resources on our website to enhance your convention experience, including a Personal Scheduler, Event Previews, and an electronic version of this yearbook. In 2007, the Host will be offering free wireless internet connections so that you can take advantage of these resources at the convention;
- Bring the games you want to play. More than one tournament has had to turn away players because not enough games were available to accommodate them; and
- Always remember that this convention is about having fun. The best "wood" to take home is the respect of your fellow players. Sportsmanlike-behavior helps everyone have a better time.

Kaarin Engelmänn, Asst. Convention Director

DATE/TIME: WBC begins at 5 pm on Tues., July 31, and runs through 6 pm on Sun., Aug. 5. Pre-Con activities kick-off at 2 pm on Sun., July 29. The auction begins on Tuesday morning. Vendor Sales are Friday through Sunday from 10 am through 6 pm.

LOCATION: All activities will take place at the Lancaster Host Resort, 2300 Lincoln Highway East (Route 30), Lancaster, PA 17602. Directions and information about accommodations and activities (such as golf) can be found online at www.boardgamers.org/hotellan.htm. Check-in time at the Host is 4 pm and check-out time is 11 am.

FOOD/BEVERAGES: Lancaster Host prohibits outside food and beverages on the premises, but the hotel offers a wide variety of meal options, including fine dining at the Legends and Vista Restaurants and less formal dining at the Good Spirits lounge and Splash's pool bar and grille. You'll find daily lunch and dinner specials at the Chef's Marketplace in the Ballroom Foyer from noon through 2 pm and 6 through 9 pm, beginning Tuesday evening and running through Saturday. There is also lite fare throughout the day from 9 am to 9 pm, including breakfast sandwiches. See the menu on the back cover.

SMOKING: No smoking is allowed in any gaming areas, including the adjoining hallways. Opening windows or doors is prohibited. Repeat offenders will be ejected without refund.

MEMBERSHIP: WBC is sponsored by the Boardgame Players Association (BPA). Sponsor- and Tribune-level membership provides admission to WBC and all Pre-Cons. Other levels of membership provide WBC admission. Multi-day General Admission to WBC grants Associate Membership in the BPA, which is required for participation in Play-By-e-Mail (PBEM) tournaments. Those who attend the convention via Guest Pass are not BPA members. Only BPA members of record on June 1, 2007, residing in the United States receive the convention program in the mail (one per household). For details on membership terms and conditions, see www.boardgamers.org/bpaterms.htm.

REGISTRATION: Pre-registration is available via BPA membership. It saves up to 50% off certain at-the-door admission prices and speeds check-in. As pre-registration is a discounted rate granted in exchange for guaranteed

attendance, no refunds are available. *There is no pre-registration for WBC events.*

On-site conference registration begins at noon on Sun., July 29, in New Holland. On Mon., July 30, through Sun., Aug. 5, registration opens at 8 am. It closes nightly at 9 pm and at noon on Sun., Aug. 5.

Registration for the entire WBC costs \$80 at the door. (Pre-Con costs are additional.) Costs are reduced \$10 per day as the Conference proceeds. One-day Guest badges are available, but they allow play only for the designated day. Prizes won with a one-day badge must be claimed the same day. Registration is required for Open Gaming. Spectators are admitted free. Children 12 and under who participate only in Junior Events are admitted free if accompanied by a paying adult.

BADGES: Attendees must display their badges at all times to participate in Open Gaming and tournament play and to buy or sell at the auction. Badges contain the following information: 1. badge number, 3. Laurels earned in the previous year, 4. total Laurels earned, 5. limitations or privileges of the badgeholder (e.g., pre-cons), 6. team number, 7. team game, and 8. team name. Bring a badgeholder from a previous year or pay \$2 to obtain a new one. Security has the right to eject players who do not display a badge.

OPEN GAMING: Open Gaming begins at 9 am on Tuesday. It may not spread into tournament areas at any time. A whiteboard is located in Wheatland to help coordinate open gaming activities and redirect any overflow to other areas on a daily basis.

TOURNAMENTS: Most events have unlimited entry, although some multi-player games require even multiples of players. If you are present at the starting time with a badge *and a copy of the game*, you will usually get a spot in the event. You may play without a copy of the game only if sufficient copies are provided by others to accommodate you. Several tournaments have had to turn away players because there were not enough copies of the game to accommodate them. *Bring a copy of the games you want to play!*

Scheduling: Tournament play commences at the scheduled times for each event and may run past midnight. No event may start a round after midnight or reconvene before 9 am without the consent of all remaining players. Some events can accommodate late arrivals. Talk with the GM if you have questions.

Finals may be rescheduled by the GM at the mutual convenience of the finalists, with the printed default time used if all players cannot agree on a mutually beneficial time.

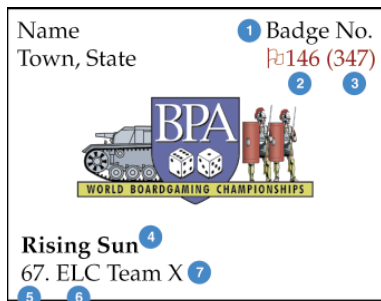

We encourage attendees to play in as many events as possible. *Do NOT, however, play in more than one event simultaneously!* Do not ask a GM to make an exception for you. *Above all, do not drop out of a multi-player game before it is finished.* If an event is approaching its time limit, you have a right to ask for an adjudicated finish.

Kiosks: Each event has a triangular kiosk to act as a visible, central headquarters or buoy.

As much as possible, all games for an event should be grouped near its kiosk. Except when an event is actually in progress, kiosks are located in Paradise Terrace in alphabetical order. GMs post brackets and alternate lists on the kiosks to notify players of their eligibility to advance to the next round. Even if you do not automatically qualify for the next round, you may advance as an alternate. If you qualify to advance but will decline the opportunity, scratch your name from the list. *Please do not write on the kiosks.*

Behavior: It is prohibited for bystanders to give information to any player or to hassle or otherwise distract a player. Those who violate this rule should be asked to cease and desist or leave the area. Anyone who does not respond to such requests or who becomes unruly will be removed by Hotel Security.

Laurels: Players automatically earn Laurels for placing in the top six places of any BPA-sanctioned tournament. Laurels are used as a scoring mechanism for BPA's Caesar Award (page 96). For each event, Laurels are calculated by multiplying the player hours level (1-6) by the

finish rank points (1st/10 points, 2nd/6 points, 3rd/4 points, 4th/3 points, 5th/2 points, and 6th/1 point). For more information, see www.boardgamers.org/laurels.htm.

Prizes: Winners of Trial and Juniors events receive a rectangular plaque. Century tournament winners receive a shield plaque, are highlighted in the following year's Yearbook, and have their names printed on the back of the souvenir shirts. In addition, winners may purchase Centurion shirts made-to-order in the correct size and with the correct game logo. The fee for each shirt is \$5, which must be paid at the registration desk when Centurions pick up their plaques. Anyone who wishes to decline the shirt may sign the form provided. Upon payment, Centurions receive the pa-

perwork to obtain their shirts on-site from Lost Battalion Games. Be sure to order shirts before departure. Players finishing in second through sixth places may receive plaques, based on the Prize Level of the event. Plaques are color-coded for place (blue/2nd, red/3rd, gray/4th, white/5th, and sand/6th). To claim a prize, bring your badge to New Holland. *Be aware that before any prize can be awarded, the GM must submit all tournament paperwork.*

Some publishers and GMs offer additional non-cash prizes for events. (See each event's Preview page at www.boardgamers.org/yearbkex/ for details.) Any Laurelist who earns a plaque in a GMT event receives merchandise credits, ranging from \$5 to \$20. The amount escalates with the Prize Level of the event. Multi-Man Publications offers credits of \$10 per Prize Level for medalists in all their events. Thus, a Level 6 event earns credits of \$60/1st, \$50/2nd \$40/3rd, \$30/4th, \$20/5th and \$10/6th.

Yearbook/Event Reports: Full Event Reports for all Century and Trial tournaments are available online at www.boardgamers.org/yearbook/. In addition to tournament highlights, they document all players who finished in first through sixth place (i.e., Laurelists), winners from previous years, and more. In 2007, for the first time, the printed yearbook is also available online.

TEAMS: Teams are composed of any four players pre-registered as a team. Team members must select a different events as their official game. Teams members and games may change only prior to July 22. All Team Points are awarded automatically when the GM turns in the Winner's Claim for an event (see the Points Schedule). **In 2007, a bonus point will be awarded to everyone who earns team points in an event that they have previously not won.** The team that gains the most points is the winner. The number of entrants in each

team's events is the tie-breaker. Each member of the winning team receives a Team plaque and is memorialized on the website and in the Yearbook (page 95).

A Self-Service system keeps on-lookers updated as the conven-

tion proceeds. All Team members, whether scoring or not, should post their point totals on the kiosk Standings Board near Ballroom Foyer as soon as possible. Official scoring takes place after the convention.

JUNIORS/TEENS: Details about our program for ages 12 and under begin on page 81. New for 2007 are Teen social events for attendees ages 12-16 in Heritage on Wednesday through Saturday from 9 pm through midnight. These are not tournaments, though a GM will run a different game each night (page 84).

GAME SALES: Vendors' booths in Ballroom A are open between 10 am and 6 pm from Friday through Sunday. (See our list of vendors at www.boardgamers.org/bpalinks.htm and on page 7.) Prior to that, consignment sales are available in Ballroom B Corridor from Decision Games, which serves as WBC's exclusive vendor Tuesday through Thursday. Sale of items at WBC is strictly limited to licensed vendors and participants in the Auction and Auction Store.

ANNUAL MEETING: We invite all members to attend our annual membership meeting on Tues., July 31, at 3 pm in the Showroom.

ARMISTICE MEETING: The Sunday morning After Action Meeting in the Showroom allows members to talk about the conference just ended and pose questions for the future. We give away door prizes and present our top awards.

HOW TO READ THE SCHEDULE: The schedule that starts on the facing page is a chronological listing of events by order of appearance. Seminars are listed in *purple*. Non-gaming events, such as meetings, are listed in *blue*. Demonstrations are listed in *italics*. Advanced rounds, such as Finals, are listed in *red*. Junior and Teen Events are listed in *green*. An alphabetical list of events begins on page 24. Although in alphabetical order, events are divided into three classifications: Century, Trial and Junior/Teen. Seminar descriptions begin on page 86.

DATES: Abbreviations for dates are Mo: Monday, Tu: Tuesday, We: Wednesday, Th: Thursday, Fr: Friday, Sa: Saturday, Su: Sunday. Pre-Con indicates that events occur on the Sunday and Monday before WBC begins. Separate admission is required for Non-Tribune Members for all Pre-Cons.

▲TIMES: Times in the chronological schedule are listed in standard 12-hour time. Times in the alphabetical schedule are listed in military time; e.g., 11 is 11 am and 13 is 1 pm. Tournament play commences at the scheduled times for each event and may run past midnight. No event may start a round after midnight or reconvene before 9 am without the consent of all remaining players.

HEATS/ROUNDS: "H1/3" indicates the heat number out of the total number of heats. "R1/6" indicates the round number out of the total number of rounds. Heats are multiple starts of an event's preliminary (qualifying) round. Players may play in as many heats as they wish, win or lose. Rounds usually require players to qualify to advance to the next round. Players who wish to enter an event in an advanced round must have the permission of the GM. They usually reduce their chance of winning as a result of missing prior rounds.

QUARTER/SEMI/FINAL: Play is restricted to players who have qualified for these rounds. For "SF/F," the Final immediately follows the Semi-Final. Final rounds may be rescheduled by the GM for the mutual benefit of the finalists. Such rescheduling requires the agreement of ALL remaining players, otherwise the scheduled time is the default. Those who can't abide by it must forfeit.

⌘ PRIZE: 1, 2, 3, 4, 5 or 6 is the number of places receiving plaques; 2 through 6 are Century events. Winners of Century events also earn a Centurion T-shirt (page 5).

CLASS: There are three classes of tournaments:

🏆 A: Experienced Players Only—rules are not taught before or during play (*red in the alphabetical listing and on the Kiosk displays*);

🎓 B: Beginners Allowed—Game will be taught ONLY at the listed Demo time (*yellow in the alphabetical listing and on the Kiosk displays*). For advanced rounds, the Class is A;

📖 C: Coached—Game will be taught during or just prior to event start in event location (*green in the alphabetical listing and on the Kiosk displays*). For advanced rounds, the Class is A.

(D) Demo: Unless otherwise indicated, all teaching sessions take place in Paradise Terrace at the listed Table #. For B Class Events, anyone new to a game must attend. For C Class Events, attending a scheduled demo places less stress on the GM and the event. If no one arrives for a demo within 15 minutes of the scheduled starting time, the demo is cancelled. (*Demo times are listed in italics.*)

FORMAT: If you have questions about the format of an event, check the Event Preview at www.boardgamers.org/yearbkex or contact the GM. In advanced rounds, most events become SE.

■ SE: Single Elimination—play until you lose one game.

OSWISS: May play all rounds paired against those with same record.

⊙ SwEl: Swiss Elimination—play all preliminary rounds; qualifiers advance to SE rounds.

⚔ MESE: Multiple Entry, Single Elimination—enter any number of preliminary heats; qualifiers advance to SE rounds.

■ MSE: Multiple Single Elimination—each heat is played sE to determine one winner who advances to the next round.

FF: Free Form—Contact GM at the listed times for flexible scheduling.

⚔ MULLIGAN—Optional Round 1 with losses forgiven. Winners advance directly to Round 2.

⌘ LENGTH: This column lists the duration of the event in hours. Round lengths are rounded up to the next hour. Every event must adhere to a strict schedule—both for the convenience of players and to make tables available for incoming events. **Actual allowed playing time is determined by the GM and is usually less than the scheduled period.** Players may never play in two games simultaneously.

⊙ CONTINUOUS: If "⊙" appears in the Length column, the event continues immediately into the next round upon completion of a round. The only interruption is at midnight, when rounds are continued the following morning at 9 am. The number of rounds for two-

player, single elimination and multiple single elimination events are approximations and may be adjusted, based on participation levels.

🗺 LOCATION: A map of the facilities is located on page 7. Note that the Conestoga rooms are located inside Lampeter. Lampeter "Rds" means the tournament should use the largest round tables in the room. GrogardCon Pre-Con events shift rooms beginning at 6 pm on Tuesday. *Players who do not participate in this Pre-Con may compete in the associated tournaments without a disadvantage.* All Seminars are in Hopewell, unless otherwise indicated; Juniors and Teen events are in Heritage. Wheatland is designated for Open Gaming beginning on Tuesday morning.

GAMEMASTERS: WBC exists as a result of the efforts of dedicated volunteers serving as GMs. A GM's authority is unquestioned in his or her tournament. Any player who disagrees with a GM's ruling has the right to request a ruling by majority opinion of the GM and the GM's two designated assistant GMs. Beyond that, there is no appeal, and no dissension will be tolerated. GMs have the right to involve the Convention Director in circumstances where players are uncooperative. Show your appreciation by giving GMs your full cooperation and respect. Better yet, volunteer to help!
