## Play-By-Email Tournaments

BPA does not run PBeM tournaments; rather, we provide support for hobbyists willing to host events. E-mail tournaments are counted the same as face-to-face action in BPA's prestigious Caesar competition, with Laurels based solely on size of the field and the average face-to-face playing time.

## A Final Remembrance for Someone Lost in the Past Year

Kevin  
Sudy  
1965-2016

Kevin died suddenly on Feb. 15, 2016. 2015 marked his most successful year at WBC, as he won both Manifest Destiny and Global Mogul tournaments to bring his total number of BPA titles to seven. His 510 BPA laurels began to accumulate in 2001 with a 4th place finish in Age of Renaissance - the first of 26 tournaments in which he was counted among the finalists—virtually all of them multi-player games. He is survived by his wife Yvonne and children, Katherine and Alan (a/k/a A.J.) with whom he shared his gaming hobby.

And how can we have heroes without pillagers?

All Boardgame Players Association (BPA) members of record as of June 1, 2016, are hereby notified of their right to vote for up to three members to serve on the BPA Board of Directors. Any BPA member may run for election as a Director. These individuals give their time without recompense to ensure that WBC continues on an even keel, representing all interests fairly. Candidates for the Board in 2016 include Bruno Sinigaglio, Joshua Githens, Bruce Reiff, Grant LaDue, and Marcy Morelli.

All members have a vested interest in the operation of BPA which can be exercised through their vote for members to serve on the Board in rotating three-year terms. When contemplating their vote, members are urged to consider that the BPA conducts most of its business by email and needs Board members who are able and willing to offer their time and skills to the organization in a timely manner. Board members should be considered more for their ability to contribute to the running of a successful company than for their interest in any particular game or group.

You may vote for up to three candidates, but only once per candidate. No votes will be taken during the convention. This election will be completed by mail and e-mail by July 15, so that the newly-elected Board may con-

vene to conduct business during WBC. The three candidates receiving the most votes will be elected. All members are urged to vote. Failure to generate sufficient votes will invalidate the election and force the organization to hold another with consequent expenses that will be borne by the membership.

Note that all paying attendees of WBC—other than one-day guests—are BPA members with voting rights. Ballots will be available only on the BPA website. The ballot includes a brief statement by each nominee. Alternately, members may e-mail their vote(s) to [election@boardgamers.org](mailto:election@boardgamers.org) from an e-mail address on file with BPA as their official e-mail address. An electronic ballot is available at [boardgamers.org/forms/boardballot.shtml](http://boardgamers.org/forms/boardballot.shtml).

All members are invited to attend the Annual Meeting of the BPA at 3 PM on Tuesday, July 26, 2016, in the Grand Ballroom of the Seven Springs Convention Center in Seven Springs, PA. **NOTE: This meeting will take place during a break in the auction.** At that meeting, members will meet the new Board and may make inquiries and suggestions regarding the activities of the association. This is your chance to influence the decision-making process that drives WBC.
